We hardly recognised Forget Me Not Cottages since our last visit; new host Stephen Taranto has completely transformed the interiors of each of the three cottages and the apartment. Gone are the teddies and lace and in are chic, individually-themed styles.

Rich, colourful and exotic is the style, and new and past guests alike adore the refreshed interiors. The Music Room has a palette of passionate red, a wood fire and exotic decorative touches. The Rose Cottage and Green Room are true to their

names but without a trace of chintz. And for those who love something intimate, the Egyptian-themed Water Garden apartment with its spa ensuite is a gorgeous nest.

What has not changed is the magical setting, with water flowing down streams into ponds, and ferns shaded by towering trees. Against this backdrop the cottage's popular outdoor spa pools cast trails of steam up into the forest. Champagne, music and your partner are all that is needed to create some magic you'll never forget.

Location: 75 km or 1¼ hours east of Melbourne. Map 7. Melway 290 B3.
Facilities: Three cottages: each with queen or king bed, ensuite, outdoor spa, wood fire, RC AC, cooktop, microwave, fridge, mini bar, BBQ (Music Room cottage with claw-foot bath, iPod dock, spa undercover). The Water Garden apartment: queen bed, spa ensuite, gas log fire. Full breakfast provisions provided. Massage, dinner and packages by arrangement.
